TRAVEL INFORMATION

Official travel website of Frankfurt:
https://www.frankfurt-tourismus.de/en

Frankfurt Airport is the largest commercial airport in Germany. It can be reached from all over the world and the city center can be reached in just a few minutes by taxi or suburban train.
http://www.frankfurt-airport.com/
Frankfurt Airport Map:
https://www.frankfurt-airport.com/en/airport-guide/orientation/airport-map.html
There are 2 Terminals: Terminal 1 with gates A to C and Z, as well as transition to the long-distance and regional train stations and the bus station; and Terminal 2 with Pier D or E. Both terminals are only a few minutes apart by shuttle bus or SkyLine train, which departs every two or three minutes.
Information about local public transportation: https://www.frankfurt-airport.com/en/transport-and-parking/by-train/local-public-transportation.html

Public transport
Public transport in Frankfurt consists of a network of trams, metro lines and buses.
For more information: https://www.rmv.de/c/en/timetables/networks/network-maps and https://www.vgf-ffm.de/en/tickets-fares-plans/tickets-purchase

Tickets are also available from ticket machines and sales offices. Many types of tickets are available from the bus driver and from the online TicketShop. https://www.rmv.de/c/en/tickets

To find out which lines and connections to take, it is advisable to use Google Maps. It can be used on desktop and mobile devices.

Visa Requirements
Entering Germany is generally visa-free for European nationals with a valid ID or passport.

Please check if you are required to obtain a visa before entering Germany here:
https://www.germany.info/us-en/service/visa/business-visa/963542
https://www.auswaertiges-amt.de/en/visa-service/-/231148

COVID-19 Entry Requirements
Entry restrictions are mostly lifted in Germany.
Please check current applicable requirements before travel here:
https://www.auswaertiges-amt.de/en/coronavirus/2317268

Also, you are advised to check COVID-19 related requirements with your airline or other transport company as well.

Further Information

About Frankfurt
(information source: https://www.frankfurt-tourismus.de/en and https://en.wikipedia.org/wiki/Frankfurt)

Frankfurt, officially Frankfurt am Main, is the most populous city in the German state of Hesse. Situated in the heart of the metropolitan region of FrankfurtRhineMine, ranks amongst the leading conference destinations in Germany and Europe. It is a pulsating city, cosmopolitan, colourfully diverse and highly dynamic.

Frankfurt is a city of great diversity. Banks and big business, trade shows and shopping on the one side, culture, cosiness and traditions on the other. At the most important tourist attractions, not only are you able to experience Frankfurt's rich history, there are also countless fascinating insights and surprising moments around practically every corner.

The old town with its half-timbered houses, the cathedral, the museum embankment and the Goethe House are among Frankfurt's most popular locations. A visit to the Top 10 provides an ideal overview of the metropolis by the river, also known as "Mainhattan". https://www.frankfurt-tourismus.de/en/Discover-Experience/Best-of-Frankfurt2/Top-10-Tourist-Attractions-in-Frankfurt

Organizing Team

Frankfurt University of Applied Sciences (FUAS)

The Frankfurt University of Applied Sciences offers trans-disciplinary and extremely practice-oriented degree courses. It focuses on demographic change, renewable energies and mobility, and logistics in order to meet the need of the challenges of future. It deals with these questions in a solution-oriented manner and educate students accordingly, so that they are able to present creative input when attempting to answer these questions.

Technische Hochschule Ostwestfalen-Lippe University of Applied Sciences and Arts (TH OWL)

Technische Hochschule Ostwestfalen-Lippe (TH OWL) University of Applied Sciences and Arts is a strong research university for applied sciences, which offers around 53 Bachelor´s and Master´s degree programs as well as doctoral programs. It is located in Ostwestfalen-Lippe, a lively and economically strong region in the north-east of North Rhine-Westphalia. TH OWL is creative, innovative and sustainable.

TU Delft, Delft University of Technology

Top education and research are at the heart of the oldest and largest technical university in the Netherlands. Our 8 faculties offer 16 bachelor's and more than 30 master's programmes. Our more than 25,000 students and 6,000 employees share a fascination for science, design and technology. Our common mission: impact for a better society.
